

NOTE: - ALL VALUES HIGHLIGHTED IN **YELLOW** ARE **CUSTOMIZABLE IN TEAMS**. PLEASE PROVIDE THE REQUIRED IMAGES OR INFORMATION AND SEND BACK.

**Outline icon**

The icon must be 32x32 pixels. It can be white with a transparent background or transparent with a white background (no other colors are permitted). The outline icon should not have any extra padding around the symbol.

**Color icon**

The color version of your icon displays in most Teams scenarios and must be 192x192 pixels. Your icon symbol (96x96 pixels) can be any color, but it must sit on a solid or fully transparent square background.

**Bot Name**

The bot name can be changed to something that may better represent your company and how you want to position the AI chat bot.

For more details on guidelines and best practices, please refer to the Microsoft documentation page here: [Package your app - Teams | Microsoft Docs](#)
